

CMVL SCORE TABLE

QUICK REFERENCE RULE SHEET

CMVL has a few non-standard volleyball rules, this is just a help sheet for Referees, scorekeepers and coaches

5th/6th Grade Division

- Players may serve up to three (3) consecutive times from a line 5' in front of the end line (line must be clearly marked across the entire court).
- When a server makes her three (3) first consecutive serves, beginning the 4th serve, that player must move back to the actual service line to continue serving.
- If a server makes a total of five (5) consecutive serves, at the end of the play, regardless which team scores the point, a side-out will be called, with the service moving to the opponent team.
- A server may have one re-serve per serve. (A re-serve is called when the server drops the ball, tosses the ball in the air and drops it, or tosses it in the air and catches it.)
- When serving, a server shall be allowed up to ten (10) seconds to complete her serve once the whistle is blown by the referee.
- The 3rd set of the match may be played provided that both teams' coaches agree and the set will not cause subsequent match start times to be delayed.
- A "lite" volleyball will be used for this age group.

Substitution rules 5th and 6th

1. NO SUBSTITUTIONS may occur between players in the first or second set of the game. Except when a team has more than 12 players

****If a coach violates any of these rules it must be corrected and the opposing team will be awarded a point/ side out***

Charitable Play

Coaches will be aware of the score at all times and will actively refrain from “running it CMVL League Rules Updated: 05-28-15 up”. Score of 25-2 and 15-1 weaken our league and have a negative effect. Coaches are expected to educate their players on respecting their opponents and set the example for how to win and lose with both class and dignity
